## NECESSARY EVIDENCE FOR THE CONFIRMATION OF DOWN SYNDROME

- It is necessary for Registration to state clearly that the athlete has Down syndrome either:
  - Down syndrome Trisomy 21
  - Down syndrome Mosaic
- The most accurate way to provide this evidence is a blood test for Cytogenetic Analysis.
- If any other evidence is presented which in the opinion of our Medical Advisory Group is not conclusive, SU-DS retains the right to request the athlete to submit to a Cytogenetic Analysis. All evidence including the test for Cytogenetic Assessment is to be sent to SU-DS, who will make a decision regarding the status of the athlete. Any costs involved in the analysis are the responsibility of the athlete.

1. I ..... (state name) agree to participating in ..... sport and I am fully aware of the risks involved in this sport.
2. Should the status of my Down syndrome be questioned I agree to the administration of a blood test for Cytogenetic Analysis. (I understand I will be responsible for the cost of this)
3. In the event of Doping Tests being administered at any event I take part in, I agree to the giving of a sample for the purpose of Drug Testing.

### Confidentiality of Information and/or Data Protection Statements

4. SUDS complies with the European General Data Protection Regulations.
  - a. As Registered athletes with SUDS your records are kept electronically.
  - b. You can access this information to request SUDS to correct or update information.
  - c. SUDS does not release your information to anyone involved in direct marketing.
  - d. Personal information such as your medical information and your address is never shared outside that of the SUDS Executive Board and then only to confirm your Down syndrome status.
5. I agree to this information being shared with event organisers and only where necessary for the sport.

## DSISO DIVE START FORM (See GUIDELINE NOTES for details)

The purpose of this form is to record the ability, or otherwise, of a named swimmer to safely and proficiently achieve a dive start from either the side or the starting block in competitive swimming or synchronised swimming events

It is the responsibility of the coach/trainer who signs this form to ensure that the named swimmer is safe in performing the activities stated in the Dive Start Tests for DSISO.

Coaches must read the Flow Chart and Guidelines for the completion of this Form.

Coaches must make themselves aware of the requirements for medical clearance from AAI prior to commencing Dive Start training or to undertake the assessment.

Failure to produce this Form, correctly completed, prior to competing in any DSISO promoted Championship will result in the swimmer being to start all races in the water.
