

Tennis Technical Competitive RULES

SECTIONS:

The technical competitions are:

- Female singles;
- Male singles;
- Female Doubles;
- Male Doubles;
- Mixed Doubles (each team must consist of a male player and a female player)

MATCHES

The matches will be played on a regulation court with the use of standard ball and net.

Competitions will be arranged according to the number of the players by the Local Organising Committee as one of the following:

- Straight Knockout;
- Round robin and then finals from a knockout;
- Round robin without finals for a knockout;

Sets may be scored as follows::

- 3 set matches
- 5 set matches
- A single set to 6 (to 7 if level at 5 all ... to two clear games for the winner)

Two sets to 4 with play-off tie break in case of level sets.

Delay:

There can be no more than a delay of 15 minutes on the expected time of start of the race, after this time the player will be disqualified.

ENTRIES

All players must be SU-DS Registered

There should be both Male and Female competition. However, if the numbers in either are low the LOC may decide to play combined.

Rankings and Awards:

For each Competition a ranking list, based on prior performance will be used to rank the players for the draw.

Individual awards will only be awarded for:

1° ranked (gold medal),

2° ranked (silver medal) and

3° ranked (bronze medal).
