Basic Accreditation

Basic accreditation to the event will give individuals access to the pool. Preferred seating will be given to package holders.

Hotel Information

Accommodation partners will provide a preferred rate when booking through the LOC as part of the Supporters Package. If you are planning on arriving earlier than July 19, please let us know by emailing dswsc18@gmail.com. Include which level package you are hoping to register under, and we will ensure rooms are booked in advance.

Social Activities

Various options will be available at the time of registration.

Meals

Breakfast will be served at the hotel prior to departing to the venue. Lunch will be served daily at the venue (buffet style). For those who choose not to purchase the Supporters Package, there will still be an add-on option available so that you can selectively access the venue lunch throughout the duration of the event. Supporters are on their own for dinner, however food will always be available at the venue's Bistro.

Closing Gala

Taking place right at the venue in the arena, the Closing Gala will provide a time for all athletes to celebrate their successes! There will be entertainment live on stage, hors d'oeuvres, dance music, opportunities to recognize athletes for their achievements, and more!

Participants

The Packaged fee is mandatory for participants, aids, and coaching staff, and is set at \$129.50 per day (tax exempt). Participants and staff will stay at the Dalhousie Agricultural Campus in Bible Hill, approximately 10 minutes from the venue. All meals will be included in the package for participants and staff. Please note the LOC is responsible for collecting \$25 USD per participant on behalf of DSISO in addition to the above fee.

Registration

Registration will open on/before January 25th, 2018, and information can be found online at www.dswsc2018.com. We have local rooms booked for the duration of the event, but if you are planning on arriving earlier than July 19, please let us know by emailing dswsc18@gmail.com and include which level package you are hoping to register under, so that we can ensure rooms are booked in advance.
