DURING THE GAMES

General information

- According to Italian laws and regulations, the space to be kept between people while social distancing is 1 (one) metre.
- Alcohol-based hand sanitizer will be available throughout all the venues.
- The LOC will measure the temperature of every person at the entrance of each venue.
- Every person inside all venues will have to wear a face mask at all times. The rule doesn't apply to:
 - » Athletes during their own competitions
 - » Coaches during team sports matches (Basketball and Futsal)
- Access to the venues for guests, visitors and spectators will be dependent on the laws and regulations in place during the Games.

- A way of circulation will be determined for all movements inside the venues.
- The entrance and the exit will be from different points of each venue.
- The usage of changing rooms and showers will be dependent on the laws and regulations in place during the Games.
- Toilets will be cleaned and disinfected regularly.
- Posters, signage and other materials will be on display at all venues, in order to remind all participants of the safety measures in place.
- If someone shows symptoms typical of COVID-19, he or she will be isolated while waiting for the Healthcare Authorities to intervene.

Stands

- We will be designating a seating area for each delegation; we ask all delegations to occupy the same area during all of the Games.
- The same general rules concerning access to the venues will be in place for the stands.
- A way of circulation will be determined for passing between the stands and the track or field of play.

Pasti

Lunches and dinners will be served at the table. The delegations will eat their meals separately.
