

## 3rd Futsal Down World Cup Lima 2022 IMPORTANT INFORMATION

Dear friends, being at the gates of the 3rd Futsal Down World Cup - Lima 2022 through this document, we send you the updated information regarding the biosafety protocols, date and time of the draw of the groups, information of the hotels for families/delegations and we enclose the registration form of your delegations and the arrival and departure times of the flights.

It is important to remind you that new athletes and new teams must register in SUDS and FIFDS respectively, the documents can be downloaded from the following link: <https://www.suds.org/registration/>

### Climate

Lima, the capital of Peru, is located on the central coast of the country, on the shores of the Pacific Ocean, the average annual temperature is 17.5 to 19 °C, with an annual summer maximum of about 29 °C. In the summers, from December to April, we have temperatures that range between 29 to 30 °C during the day and 21 to 22 °C at night.

### Travel information and Covid Protocol

Before boarding the plane, all travelers over the age of 12 must show a vaccination card with the required doses completed up to 14 days before the flight. Otherwise, those travelers will need to present a negative PCR test issued up to 72 hours before boarding. It is mandatory to complete the Sworn Declaration of Health and Geolocation Authorization form. Registration is individual. In the case of a minor, it is done by the passenger's guardian or person in charge. You can download and present this document in virtual or printed form, essential for boarding.

Please consult this link, it contains all the above information and special care for you while preparing your trip to our country: <https://www.peru.travel/es/covid>

Considering the existing protocols, we strongly recommend to quarantine your team 5 days before your flight to Peru in their own countries. In addition, we will do the covid-19 tests upon arrival, as a security rule recommended by the Peruvian government. Remember that you must wear a double mask and a face shield throughout the flight, in addition to bringing a vaccination card or negative molecular test with result date no more than 72 hours before boarding at your point of origin.
