Dear Friends of the Sporting Community,

The Organising Committee, with the esteemed support of **TOSSEF – Turkish Special Athletes Sports Federation** and **SU-DS - Sports Union for Athletes with Down Syndrome**, DSI GO-Down Syndrome International Gymnastics Association, is honored to invite you to the 2025 DSI GO Open European Gymnastics Championships, which will take place in **Istanbul, Türkiye**, from **10 to 14 June 2025**.

We are committed to delivering a meticulously organized and memorable championship that meets all your expectations. Beyond the competition, we also hope that you and your delegation will experience Istanbul's legendary hospitality and immerse yourselves in its rich history and vibrant culture. As the bridge between East and West, Istanbul—once the heart of great empires and a UNESCO World Heritage Site since 1985—seamlessly blends ancient heritage with modern dynamism, where every street tells a story of civilizations past and present.

To assist you with your preparations, we have enclosed a invitation form containing all the essential details about the championships.

If your federation wishes to participate, please complete the attached form and return it to **bilgi@tossfed.gov.tr** by **15 MAY 2025**.

We eagerly look forward to welcoming you to Istanbul 2025!
